The Honorable Darrell Clarke
City Council President
City Hall, Room 490
Philadelphia, PA 19107

Dear President Clarke:

This letter is in response to questions raised at the April 16, 2013 hearing before the Committee of the Whole for the Sheriff's Office. The questions were recorded as follows:

From Councilman Jones:

1. Can you provide statistics on witness intimidation to the Chair?

Regarding witness intimidation in and around our court facilities there are no statistics since records are not kept and is often never reported. However the DA's Office says witness intimidation is at "near epidemic" levels.

What we know is:

- Thirteen people were killed between 1999 and 2009 due to witness intimidation
- 1,000 people were charged with witness intimidation between 2006 and 2008. Only 28% were convicted
- In 2010 and 2011 the DA's office moved 82 families to protect witnesses
- In 2011 and 2012 150 families were moved to protect witnesses
- In 2012 and 2013 145 families were moved to protect witnesses

From Councilwoman Sanchez:

2. Do you keep an account of how much money the Sheriff Department submits to the City? Can you provide this information to the Chair.

Funds sent to the City from Sheriff Office's activities for (a) 2012 and (b) current months are attached. Note: the Sheriff has no accounting system. We are currently installing one. The

figures come from the check writing system and therefore may over state the payments due to voided checks.

Please feel free to contact me with any questions you may have about the information provided in this response.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jewell Williams', with a stylized flourish at the end.

Jewell Williams
Sheriff
